# Natural Gas Savings for Condominiums

At FPL Energy Services, Inc. (FPLES), we understand the distinctive needs of condominiums, property managers, and condo associations. As a trusted natural gas supplier, FPLES is a long-term partner experienced in working with condominiums and board members to offer straightforward, cost-effective pricing strategies to manage your natural gas needs.

When it comes to natural gas supply, FPLES goes above and beyond in delivering a reliable supply for customers, each and every day. We offer:

- » A free savings analysis to maximize your savings potential
- » No cost to switch to FPLES
- » No deposit required for condominiums
- » Flexible, fixed price options

## Competitive and Flexible Pricing Options

To obtain natural gas at the most favorable price, we carefully analyze the gas market trends, conditions, and pricing models to employ many cost saving measures, enabling us to pass on these savings to your facility.

We personally evaluate your facility to recommend the most cost effective pricing strategy, factoring in seasonal conditions, tariff, tax advantages, and all other available opportunities.

Our Local Natural Gas Consultants Provide:

- » Experience and expertise working with condominium boards
- » Personalized service, expert advice, and over 99.9% billing accuracy
- » Free analysis of your current natural gas costs
- » Customized pricing solutions, including fixed price options with an option to lock-in to a fixed price for up to 36 months
- » Ongoing review and analysis to ensure optimum budget stability
